

Mitigation of Axis Deer and Other Animals For Farmers and Ranchers

A. Purpose of the program

The purpose of this program is to provide grants to eligible Maui County resident farmers and ranchers with sustained economic losses resulting from the loss of pasture forage for cattle, death of cattle, destruction of farms, reduced crop yields, and other agriculture property damages arising directly from the excessive axis deer population.

B. Eligible Activities

Permissible uses include costs expended in protective/mitigating measures, relating to seeds, replanting efforts, livestock replacement, fencing, fuel, labor, and rental equipment as necessary to restore the producers' agricultural operations to functioning status. The maximum allowable award is up to \$100,000.00.

C. Eligible Applicants

Applicant Requirements are that they:

Shall be a citizen of the United States of America or a legally registered alien and a resident within the islands of Maui, Molokai and Lanai (grant area).

Must describe losses that are directly attributable to the axis deer overpopulation, how the financial assistance will be used, and what measurable outcomes and benefits in agricultural production are expected resulting from financial assistance by June 30, 2027.

Must be operating on more than 41 acres but less than 500 acres within the grant area and possess a State General Excise Tax License for the farming business as of July 1, 2025.

Must have been in business long enough to file at least one Federal and one State tax return.

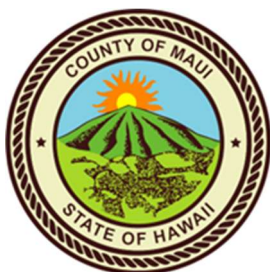

D. Terms and conditions of the grant

Grants will be made to Sole Proprietors, Corporations, Partnerships, Non-profit or not-for-profit organizations or LLCs.

If farm or ranch is owned by more than one entity or person, each owner must complete an application and submit it, as well as all owners must be residents of Maui Nui for at least a year before July 1, 2025.

E. Process & Expectations

Applicants will present quotes for the cost of the products or services to be purchased with this grant application. Upon notification to the applicant that their application has been selected for funding, quotes with W-9s must be presented to Lokahi Pacific for payment for the total amount to be awarded.

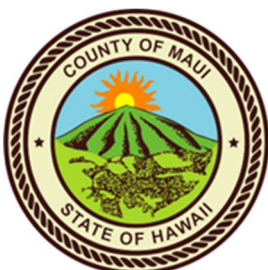

Mitigation of Axis Deer and Other Animals For Farmers and Ranchers

Grant funds will be awarded with efforts to ensure equitable distribution among applicants in Maui, Molokai and Lanai.

Application Deadline *EXTENDED*: Applications must be hand delivered, emailed, or postmarked no later than 4 pm on ~~Thursday, April 30, 2026~~ **MONDAY, MAY 18, 2026.** Applications will be reviewed on a first-come-first-served basis until funds are exhausted.
